FLOOD LEVEL OBSERVATION, OPERATIONS AND DECISION SUPPORT ACT

SPEECH OF

HON. EDDIE BERNICE JOHNSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, December 12, 2022

Ms. JOHNSON of Texas. Madam Speaker, I rise in support of the bipartisan, bicameral FLOODS Act led by Senator Wicker. Flooding is the most common natural hazard in the United States, resulting in the greatest number of lives lost and property damaged. We passed the tenth anniversary of Superstorm Sandy about one month ago. That storm was a harbinger of the future as we have seen many storms with record-breaking extreme precipitation that has led to flooding events, from Hurricane Harvey in my home state of Texas, to the more recent Hurricane Ida. The need to better prepare our communities for potential catastrophic flooding is now more crucial than ever.

The FLOODS Act directs the National Oceanic and Atmospheric Administration to establish a National Integrated Flood Information System that will inform and provide timely decision-making in the face of flooding events and coordinate and integrate flood research at NOAA. The bill would also designate a service coordination hydrologist at each National

Weather Service River Forecast Center, and it requires NOAA to leverage existing work through intra-agency and external partnerships to improve impact decision support systems, as well as regularly update Atlas 14 precipitation frequency estimates.

It cannot be overstated how urgent the need for this basic work is for informing products such as updated FEMA flood maps used in flood insurance determinations, designing infrastructure in flood prone areas, and for planning evacuations. I want to thank Representative SHERRILL for her leadership on this legislation and on the issue of addressing the causes and impacts of flooding on Americans across the country.

I urge my colleagues to support its passage.

HONORING NANCY ALLEN

HON. BILLY LONG

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 14, 2022

Mr. LONG. Madam Speaker, I rise today to recognize an individual who has made significant contributions to our justice system, championing the rights of victims; has served as an educator, inspiring thousands of college students; and has created and shared stories as a bestselling author.

My district includes Springfield, Missouri, the home of Nancy Allen, a former Assistant Prosecutor, Assistant Attorney General, Senior Instructor at Missouri State University (Go Bears) and the district's first New York Times bestselling author. I am honored today to recognize the lifelong accomplishments of Nancy Allen, who comes from a long history of Missouri educators and attorneys in a family that is committed to serving the community. She also comes from just 2 doors down from my childhood home. You see Nancy and I were neighborhood kids together growing up in the 1960s.

Nancy is a natural advocate. In 1973, at the age of 16, she appeared before the Springfield School Board to make the case for instituting a girls' competitive sports program in Springfield Public Schools. The Board voted in favor of her proposal that night, and that year, the schools extended athletic opportunities to girls for the first time in SPS history.

She graduated from Missouri State University with an English Education degree in 1978 and received her Law Degree from the University of Missouri in 1980. She was a trailblazer for women in the legal profession, returning to Springfield in 1981 to practice law in Southwest Missouri. Nancy joined the Greene County Prosecutor's Office as the only woman on staff and tried over 30 jury trials.

After marrying Randall Allen and starting a family, she became an Assistant Attorney General for our great state, serving for 9 years as a champion for victims of consumer fraud.

In 2005, Nancy became an instructor at Missouri State University, teaching law classes in the College of Business. With over 900 students per year, she received awards for teaching and garnered the highest student evaluations. Though she retired in 2020, her relationships with former students remain strong. In 2021, she served as the officiant of 2 former students' wedding and performed the ceremony.

While teaching at Missouri State University, Nancy picked up the pen and began her career as a novelist, a goal she pursued with tremendous determination. In 2014, *The Code of the Hills* was released, the first legal thriller in her 4-book Ozarks Mystery Series published by Harper Collins. The series, which examines social issues as well as crimes against women and children, has been optioned by a major network.

During this period of publishing success, she also became a co-author with James Patterson. Their first collaboration, *Juror #3*, became an instant #1 New York Times bestseller in 2018. Their next book, *The Jailhouse Lawyer*, became a #2 New York Times bestseller. Their next novel will be released in 2024.

In addition, she teamed up with a film production company to author the Anonymous Justice series for Grand Central Publishing. *Renegade* came out in 2022, and *Payback* will be released in 2023.

Nancy Allen's career illustrates a commitment to service, and also provides a true example of how hard work and determination can propel a talented constituent from my District into the New York City publishing spotlight.

Madam Speaker, I want to thank Nancy Allen for her many contributions to our District and Nation.

HONORING NORTHAMPTON TOWNSHIP ON THEIR TRI-CENTENNIAL

HON. BRIAN K. FITZPATRICK

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 14, 2022

Mr. FITZPATRICK. Madam Speaker, I rise today to recognize an incredible municipality within my district on the tri-centennial of its incorporation.

Northampton Township, Bucks County was originally settled by English colonists who came with William Penn on his voyage to Pennsylvania. On December 11, 1722, a petition and a map were presented to the Quarter Sessions Court in Bristol, Pennsylvania to establish a new township on lands lying "between Southampton Township and other lands and Neshaminy Creek." The petition was signed by 21 petitioners. The court took this petition under advisement and on December 14, 1722, in under 5 days, the petition was approved and Northampton Township was born.

They named it Northampton after the county town of Northamptonshire, England.

I believe it is fitting that Congress recognize this milestone as testament to the men and women who recognized the value of self-governance 54 years before our Nation declared independence from an oppressive government. I am extremely grateful for the example and the impact that Northampton Township has had on our community for the past 300 years, and I look forward to the amazing achievements to come in the next 300 years.
